

IDEAL CLASS

For a Brightening exercise, have your students form in Colors groups and discuss the following questions. They should write their answers on the flip chart provided. Once everyone has completed, get the group back together and discuss the differences and similarities between the Colored groups.

- 1. What is the subject?**
- 2. What does the classroom look like?**
- 3. What is on the walls?**
- 4. What type of furniture is there?**
- 5. What else is in the room?**
- 6. What do students wear to school?**
- 7. How do they act in class?**
- 8. What is important for students to learn?**
- 9. What is expected of students?**
- 10. How are students graded?**
